With respect to social matters, responsibility is part of Porsche's mission. The company promotes diversity, education and collaborative relationships with employees, direct suppliers and the society in which the sports car manufacturer operates.

Porsche's social engagement aims to create opportunities, both locally and globally: through improved access to education, participation, fair living conditions and targeted support for entrepreneurial initiative. Within the company, the sports car manufacturer fosters an inclusive working environment in which different perspectives can come together and all employees have the opportunity to grow, both personally and professionally.
