

# Porsche Centre Dubai showcases individualisation possibilities with Cayenne Turbo Electric

**23/10/2026** Porsche Centre Dubai and Northern Emirates is showcasing an individually configured Cayenne Turbo Electric featuring a selection of options from Porsche Exclusive Manufaktur. Finished in Vanadium Grey Metallic, the all-electric SUV features exclusive exterior and interior details, showing how customers can express their individuality with an extensive selection of factory-fitted options.

**Dubai |**Every element offers an opportunity to create a Cayenne that reflects personal taste, with Porsche specialists at Porsche Centre Dubai and Northern Emirates guiding customers through the available combinations and finishes.

The Cayenne Turbo Electric features 22-inch Cayenne Exclusive Design wheels in high-gloss black, with highly polished surfaces and Aeroblades. The SportDesign Package adds further high-gloss black accents, along with body-coloured exterior mirrors and black side-window trims. Tinted HD-Matrix LED headlights and a tinted rear light strip with 'PORSCHE' lettering complete the exterior specification.

The cabin features two-tone Black and Chalk Beige leather upholstery, complemented by Chalk Beige seat belts and Porsche Crests on the headrests. Further Exclusive Manufaktur details include a heated GT Sports steering wheel with a matt carbon inlay and an embossed model logo on the centre console armrest. The vehicle keys also show attention to detail, with a personalised painted finish and matching case.

Complementing the bespoke specifications are the Passenger Display, Park Assist with 3D Surround View and rear comfort pillows.
